

A Bell will sound 10 Minutes

before the end of each Session.

No end shall be played after this Bell unless the Jack has been cast correctly before the Bell Rings.

A Correctly Delivered Jack

Means that the Jack has been cast by the lead before the bell.

If that Jack is cast short or in the end or side ditch the opposing lead shall then take their turn to cast the Jack ending in the option of the Jack being placed at the 2 metre mark and the end completed.

Rules 28 & 29 of the E.I.B.A Laws of the game.

No Ends

will not be replayed.

ALL

other rinks must finish on completion of the end they were on previous to the bell sounding.
